Lower Elementary: Stephanie and Elisabeth

June is now upon us! With it come feelings of excitement, anticipation, and even some sadness, as often happens during times of change. However, through our journaling and other avenues of dialogue, it has been a great experience sharing our thoughts and feelings openly with each other.

We are so very excited about our upcoming drama performance on Thursday night, June 14th. Rebekah Kanter has not only spent a great deal of time working with the children, but has also put forth a great deal of energy into what is sure to be a terrific performance. We are also eagerly anticipating all of the other end-of-year activities that have been planned. Speaking of anticipation, we were quite pleased to learn that Dahlia Cummings will be joining Stephanie next school year! Dahlia has become a familiar face to us through our weekly sing-along sessions, and we welcome her with open arms. We are also however, becoming increasingly aware of the fact that it's almost time to say good-bye to Elisabeth. She will be greatly missed, and we wish her the best as she begins a new chapter in her professional career! Having worked with Stephanie throughout this school year has ensured a smooth transition for the E1 classroom for next school year. It's been a true blessing to have had the opportunity to spend the last nine months with such amazing children and gotten to work with such remarkable parents. Thank you for allowing us to be part of your family's lives, and have a great summer!
